Participation rates in such activities as games, dance, gymnastics, swimming and athletics (clubs)	 Schools own data/registers Pupil voice Dialogue with Active fusion coaches. Swimming feedback from WA Parental feedback 	Purchase sport-specific equipment in order to offer a wide range of after school clubs	£2,337	A wide range after school clubs launched in summer term 1 thanks to purchase of equipment such as gymnastic mats, football goals, sound system. Music is now available to use in both halls and outside. This means that we have had multiple lessons/clubs running simultaneously. Having the use of music in 2 halls has allowed us to run more efficiently with teachers not having to worry if they've not got all the resources at hand to deliver the PE curriculum as well as after school sports such as dance, circuit training and gymnastics (KS2 data overall part 76%, PP 45 and SEN 53%)
		After school sports club coaching fees offering a wide range of provision.	£360	Taekwondo has become a signature sport of the school thanks to a specialist coach running the after school club as well as our ambassador being silver medallist Bradley Sinden
Participation and success in competitive school sports (inter/intra)	 Schools own data/ registers School games mark website 	Transport costs to travel to venues that host interschool competitions.	£	
	 Dialogue with Astrea Active and other schools 	Paint athletic/football markings on school field and playground to facilitate the teaching of a variety of different sports. Grass to be maintained.	£50	We had a fantastic sports day thanks to a range of different field markings being designed, implemented and maintained. Children have now started a yearly tradition.
		Sports equipment ordered to host inter/intra school competition	£1000	The goals and basketball hoops have been utilised successfully for a range of intra school competitions allowing the participation rates to increase across school (refer to After school data)
